Marta Perez has a history of voting to raise taxes by over \$350 million, while also voting to hike school lunch prices for children!

Was the only vote against protecting school employees' pay during the COVID-19 pandemic and has a history of voting to cut teacher salaries.

Marta opposes school choice and parental rights in education.

Marta Perez tiene un historial de votar para umentar los impuestos por más de \$350 millones, y también votó para umentar los precios del almuerzo de nuestros niños en las escuelas.

Ha votado consistentemente para reducir los salarios de nuestros maestros y se negó a proteger los salarios de todos los empleados durante la pandemia del COVID-19.

Marta se opone a las opciones educativas y los derechos de los padres.
